- Update of the membership of the Board of Directors and the physical persons in charge of effective management.
- Accuracy of the information provided to investors regarding OTC transactions involving derivative financial instruments and effective portfolio management techniques,
- Update of the risk profile information

The draft prospectus including all of the changes is available from the management company on request.

These changes will come into effect on 07.08.2017 (NAV date).

Investors wishing to do so may apply for the redemption of their units, free of charge (except for the taxes and charges levied by the authorities of the countries in which the shares/units are sold), for a period of one month from the date of publication of this notice.

The prospectus, the key investor information and the latest interim reports are available free of charge at the registered office of each SICAV as well as on the website www.candriam.com.

The Board of Directors
